

FineLinen™ Film

18 mic

Roll Out the Finest | FineLinen™ Film is an adhesive-free wet film that gives luxury labels and flexible packaging the look and feel of elegant linen. This premium, faux-fabric finish is highly resistant to scratching and scuffing. It preserves the colour accuracy of printed designs while enhancing stand-up pouches, labels, sealed bags, and other applications with an unforgettable visual appeal.

FineLinen Film is made of biaxially oriented polypropylene (BOPP) and measures 18 microns thick. Because it has no adhesive layer, this wet film is perfect for solventless or solvent-based lamination and can be used to laminate decorative labels using wet lamination and UV or LED curing.

KEY FEATURES

- Print Web Film
- Refined Linen Pattern
- Scratch-Resistant Finish
- Accepts Reverse Printing
- Solventless/Solvent-Based Lamination

PRINTING METHODS

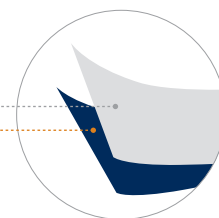

- Digital
- Flexographic

SUGGESTED PACKAGING FORMATS

- Labels
- Sachets
- Stand-Up Pouches
- Stick Packs
- Three-Sided Sealed Bags
